INTRODUCTION:

Have you ever been worried about something? Did you ask for help?

Christians and others believe that God is Almighty - that he has the power to do anything at all.

Why do you think this belief might help them when they are praying, frightened or in trouble?

BUILD UP:

Tell or look at the story from the Old Testament of the Bible about God taking care of his friend Elijah, a poor widow and her son when there was a famine in the land, and there was no food to eat. 1 Kings Chapter 17.
